

## Homework for Monday, August 14, 2017

At the AP Computer Science website, click on "E-mail Mr. DeRuiter", or start an e-mail addressed to: [scott\\_deruiter@fuhsd.org](mailto:scott_deruiter@fuhsd.org)

On the **subject line** of your email, you should print your **name** and your **period number**. In the **body** of your e-mail, you should do **two** things:

- (1) Type in your name (again)
- (2) Give me a conversation starter for you.

---

Below, you will find the body of a "sample e-mail". Please follow the indicated format.

---

To: [scott\\_deruiter@fuhsd.org](mailto:scott_deruiter@fuhsd.org)

From: **Herbert Smithers, period 2**

**(1) Herbert Smithers**

- (2) I went to North Dakota this past summer.      OR**  
**I once met Justin Timberlake.                      OR**  
**I spend a lot of time playing the violin.            OR**  
**I am an expert on the history of yo-yo design.      OR**  
**Hopefully you get the idea (Note: This conversation starter should be true about you and/or should express a true sentiment/opinion of your own!)**
