

MAKING UP TEST POINTS

If you do poorly on an exam, you have the chance to make up points by taking another test. This extra test can be taken over three sessions, including before school, brunch, and during lunch. You must finish the make-up by the time we take the chapter test two chapters later (you can do chapter 4 make-up until we take the chapter 6 test), unless we are at the end of the semester.

Assuming that you do all problems correctly on the make-up test, and a test worth 100 points, here are the points that you can earn;

Test Score	Extra Credit Possible	Test Score	Extra Credit Possible
74 - 75	+ 1	51 - 53	+ 10
71 - 73	+ 2	49 - 50	+ 11
69 - 70	+ 3	46 - 48	+ 12
66 - 68	+ 4	44 - 45	+ 13
64 - 65	+ 5	41 - 43	+ 14
61 - 63	+ 6	36 - 40	+ 15
59 - 60	+ 7	31 - 35	+ 16
56 - 58	+ 8	26 - 30	+ 17
54 - 55	+ 9	0 - 25	+ 18

If the test is worth less than 100 points, or you do not do all problems correctly on the make-up, you can earn a percentage of these extra credit points.
